SPANISH LANGUAGE LEARNING since 1986

A group of people are dancing on a beach at sunset. The scene is bathed in warm, golden light from the setting sun, which is low on the horizon over the ocean. The people are silhouetted against the bright sky, and their shadows are cast long on the sand. They are all wearing light-colored clothing, and some have their arms raised in the air, suggesting a lively and joyful atmosphere.

LANGUAGE CLASSES

20 CLASSES PER WEEK

SPANISH OR ENGLISH CLASSES

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally and spontaneously.

This teaching methodology is inspired by project-based learning which develops not just linguistic skills in the context of language immersion, but also essential strengths such as critical thinking, creativity and teamwork. In addition, we offer a great framework to make language learning more fun and enjoyable at any age.

EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students' success is what makes Enforex teachers stand out.

INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on project and action learning. A hands-on method where students gain confidence and enjoy learning Spanish while working on real-life projects.

Students will work in teams, brainstorm about their project, evaluate solutions, assign roles to each member, decide on the media in which to present the project (video, photos, poster, presentation, etc.), choose the materials needed, budget and manage their time. Meanwhile, they learn and improve their leadership skills, teamwork, communication skills, emotional intelligence, and confidence.

EARN A LANGUAGE CERTIFICATE

Each student will receive a certificate and detailed evaluation on their last day of camp.

WE TEACH ALL LANGUAGE LEVELS

On arrival, each camper takes a placement exam which determines their current language proficiency level. At Enforex we teach students at every proficiency level.

RECREATIONAL ACTIVITIES

At least once a week we organize events and activities for campers to get together and enjoy a ridiculously fun night where they can dress up, be silly and enjoy being together. Campers are encouraged to be creative, inclusive and resourceful. Without even realizing it, they develop valuable life skills and practice their second language. These events also help campers make friends and instantly become part of the community. Many of our events are hosted outside and are adapted to the interests of the campers.

INDIVIDUAL AND TEAM SPORTS

Sports help develop valuable skills in young adults including confidence, teamwork, communication, endurance and determination just to name a few. Not to mention health benefits such as coordination, body posture, healthy habits, flexibility, strength and the list goes on! At Enforex, we offer many options for campers to find a sport they enjoy, whether that might be an individual or team sport. Many are exposed to new experiences and discover their new favorite sport.

CULTURAL WORKSHOPS

We carefully select special topics that are culturally enriching and that give our campers the opportunity to learn something new, discover the world around them, develop important life skills (like cooking and writing) and explore their interests. Your little one might discover his or her future career path after discovering a new talent this summer. PERMISSION TO LEAVE CAMP

At Enforex Camps we are aware that many of the students who come to our programs have the freedom in their own homes to go out in the evenings with their friends. For this reason, the camp director will allow a certain number of unsupervised outings per program. The outing days and times will be established by the director of each camp. This option is only available to students 15 and older, whose parents complete, sign and send us the "Permission to Leave the Camp Unsupervised" form before the start of the program. This permission will be valid as long as the student complies with the camp rules.

MEDICAL AID AND HEALTH INSURANCE

Each camp has a health center and 24-hour first aid care on site to ensure the health and well-being of the students. If your child has any chronic medical conditions, allergies, special dietary needs or other requirements, simply notify us in writing at the time of registration. If your child plans to bring their own medication to the camp, please send it with them along with full instructions on its correct usage.

Additionally, it may be advisable for the student to bring a medical report from their doctor of their special needs. All campers are covered by standard insurance for medical assistance, which is included in the price of the program. However, if you would like a premium insurance policy, we advise you to purchase it in your own country.

Such documents will only be sent to cover the amount of course time initially contracted by the student. Enforex will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):
 - Confirmation of the Spanish program chosen by the student.
 - Invoice for the total cost of the program in question (course + accommodation).
- In the event that the student should urgently need the originals of any of these documents, Enforex will send them and charge the cost of

express mail to the student.

- If a student visa is rejected, Enforex will refund the cost of the program minus € 310, and any additional basic costs. The student must show Enforex formal proof (original copy) that their visa application has been rejected in order to receive a refund. If this original copy is not received by Enforex, 100% of the cost of the program will be charged.
- Any refund from Enforex if a student visa is rejected will be subject to a 9% charge (a minimum of € 65).

CANCELLATION GUARANTEE

To avoid cancellation expenses in the case of cancellation after arrival, Enforex recommends students purchase a Cancellation Guarantee at a cost of € 40 per week. It must be purchased and paid in full upon booking. Students who purchase the Cancellation Guarantee can cancel all or part of their program for any reason without justification.

Cancellation service conditions

- All refunds will incur an extra cost of 9% (minimum of € 65).
- The price of the course and accommodation will be charged for the week during which the cancellation is made if the student makes that cancellation up to Wednesday, otherwise both the week of cancellation and the following week will be charged.
- The cost of the cancellation service will not be reimbursed.
- In order to cancel a program, the student must give notice via e-mail to seg@iegrupo.com. The day after the e-mail is sent will be considered the day the course has been officially canceled. Cancellation is only valid once an e-mail has been received. For this reason, it is important that the student is certain that the e-mail has been received. The money will be returned within 30 days of the official cancellation date.

• The cancellation service must be signed and paid in full upon enrollment in order to be valid. You can add extra services but not decrease the coverage.

• Students who require and have obtained their visa through Enforex can purchase the cancellation guarantee, however their cancellation will only be considered once the student provides proof of having left the host country. In these cases, 20% of the amount to be refunded will be charged to cover administrative costs.

AIRPORT SHUTTLE SERVICES

- Flight information (place, date, time, and flight number) must be confirmed in writing at least one week prior to arrival. Otherwise, Enforex will not be held responsible for picking up the student at the airport and there will be no refund.
- If the student cancels the airport shuttle service less than one week prior to arrival, he/she will lose the right to a refund of the cost of that service.
- In the exceptional case that other students who have reserved a private airport transfer service with us and arrive around the same time, our driver reserves the right to combine the transfers. You will be offered a compensation.
- In the event of delays or changes in flight information without previous notification, Enforex will not be held responsible for picking up the student at the airport and there will be no refund.

PROTECTION OF PERSONAL DATA

In compliance with Spanish Law 15/1999, December 13th, regarding the protection of personal data, Enforex would like to inform you that your personal details within these general conditions will be stored in a database (that IEG is liable and responsible for) and used solely for the commercial and operative purposes of the company. By accepting these general conditions, you give your consent to the aforementioned treatment of your personal details and their use for the aforementioned purposes. At the same time, you have the right to request that we inform you of your rights to access, correct, and cancel such information within the established terms of the prevailing legislation, by writing to the following address: Enforex, Gustavo Fernández Balbuena 11, 28002 Madrid (Spain).

CONFLICT RESOLUTION AND JURISDICTION

Any dispute relating to the programs will be resolved by the courts under applicable law. This excludes any other form of dispute resolution (administrative bodies, arbitration, etc.). Any conflict that may arise between the parties in regards to the interpretation, completion, and execution of this contract will be subject to the jurisdiction of the judges and courts of Spain, where these services are given.

AGREEMENT

- Upon signing the registration form or paying the program fees, the student accepts all of the conditions described above. If, under any circumstances, outside of Enforex's control, accommodation prices increase, Enforex will notify the student ahead of said changes. This price supersedes the previously existing price and is valid from January 1, 2020 to December 31, 2020 for all programs taking place between these two dates. Enforex is not responsible for typographical errors and/or misprints contained in this price list. Update in October 2019 and subject to change.
